CALL TO ORDER

A. Public Information Meeting Outlining Results of Future Sewering Feasibility Study for the GLSD Sewer Service Sunnyside Area (Area 8)

Thad Majkowski, Lisa Reas and Rick Manthe gave a power point presentation regarding the feasibility study for Area 8 (Sunnyside) (see attached). The presentation will be on our website also.

A resident asked why this project needs to be done and stated that people cannot afford the high cost.

A resident asked if they will be required to hook up to sewer if they have a new(er) septic system.

A resident didn't feel that the feasibility study did not explain why this project is necessary.

A resident questioned the need for the project.

A resident is concerned that the project to cause damage to their property and commented on the cost.

A question was submitted about getting a bike path on County Road A.

A local contractor felt that they could install a POWTS on a 3-bedroom home for less than what the sewer will cost.

A resident commented that her soil is very sandy, and that water flows easily through the ground.

Several residents submitted questions regarding the project. Answers will be posted on the GLSD website under the sewer tab.
