

GREEN LAKE SANITARY DISTRICT
SPECIAL MEETING MINUTES OF THE BOARD OF COMMISSIONERS

A Special Meeting of the Board of Commissioners of the Green Lake Sanitary District was called to order by Commissioner Bates on Saturday August 26, 2023, at 8:00 am at the Green Lake Public School (Gym) 612 Mill St Green Lake WI 54941 and via Zoom

Present: Ken Bates, Justin Ellis, and Nick Vandervelde.

Others Present: Lisa Reas, Administrator, Paulette Z Janssen Administrative Assistant, Thad Majkowski representative for Cedar Corp and Rick Manthe representative for Stafford Rosenbaum. 40 people signed in.

Written notice of this meeting was given to the Green Lake Reporter, The Ripon Commonwealth. The News Release was posted at Fortifi Bank, the Green Lake Post Office and the GLSD Office.

CALL TO ORDER

A. Public Information Meeting Outlining Results of Future Sewering Feasibility Study for the GLSD Sewer Service Areas 2, 3, 4, 6, and 9.

Thad Majkowski, Lisa Reas and Rick Manthe gave a power point presentation regarding the feasibility study for Sewer Service Areas 2, 3, 4, 6, and 9 (see attached). The presentation will be on our website also.

A resident asked about the final version of the study and when it will be ready to approve.

A resident asked about financing the assessment by having it placed on their tax bill.

A resident asked what is included in the cost estimates for each potential sewerage area?

A resident asked if sewer is placed under our roadway, would there possibly be an evaluation of whether to also get other modernization like broadband as well?

A resident asked if they will be required to hook up to sewer if they have a new(er) septic system.

A resident asked about sewer rates.

A resident asked about rock limitations for private lateral connections.

A resident suggested the GLSD finalize a timeline for sewerage any areas moving forward to construction and publicize the information, so residents have adequate time to make plans for their parcels.

A resident questioned the need for the project.

A resident is concerned about construction of laterals and asked if the District can coordinate that work.

A resident questioned needing to replace her septic system because her soil is very sandy and water drains rapidly through the ground.

Several residents submitted questions regarding the project. Answers will be posted on the GLSD website under the sewer tab.

ADJOURN

Adjourn at 9:47 am

Respectfully submitted,

Nick Vandervelde

Approved 09/19/2023

Secretary of the Commission
